SUMMER 2009 BIBLE STUDY & ACTIVITIES INFORMATION

Look at the ant...all summer it stores up food; at harvest it stockpiles provisions

Summer is a season of growth—a time for producing fruit. The same can be true of our spiritual lives as well. Take advantage of these months to make new friends at church during our “On the Deck” fellowship, and plan to grow in your faith through study.

For adults, the summer is divided into two six-week sessions: Session I (June 7-July 12), and Session II (July 19-August 23). Session I offers three class options; Session II offers four class options. Select one class from each section.

Youth, children, and preschool classes follow their regular schedule, but in most cases, with new teachers for the summer months.
